PROCEDURE PURSUANT TO
37 CFR § 1.116**

REMARKS

The Office has indicated that claims 1-14, 19, and 20 are allowable. Claims 15-17 have been canceled. The Applicants reserve the right to prosecute the subject matter of the canceled claims in divisional or continuing applications. Claim 18 has been amended to delete the phrase “therapeutically effective amount.” The Applicants respectfully request entry of the present amendment as it puts the claims in condition for allowance and does not add new matter.

The undersigned thanks Examiner Murray for the telephonic interview conducted on April 16, 2008. Claims 15-17, as well as the rejection of claim 18 under 35 U.S.C. § 112, second paragraph, were discussed.

Claims 15-17 have been canceled, without prejudice. And while the Applicants continue to assert that the phrase “therapeutically effective amount” in claim 18 does not render the claim indefinite, the phrase has been canceled in order to advance the case to allowance. Reconsideration and withdrawal of the rejection is requested.

The foregoing represents a *bona fide* attempt to address all remaining issues raised in the January 7, 2008 Office Action and the April 8, 2008 Advisory Action. Claims 1-14 and 18-20 are deemed in condition for allowance. An early Notice of Allowance to that effect is, therefore, earnestly solicited.
